Clear View fights ice, frost, and snow for maximum visibility, less warm-up time and safer driving. It contains special detergents to remove dirt, grime, bugs and salt residue and leaves windshields clear and streak-free. This concentrated formula allows you to choose the most economical dilution for your weather conditions – while still assuring optimum performance.

**DIRECTIONS:**

**FOR SUMMER USE:** Add 1-1/2 ounces of this deicer concentrate to clean water to make 1 gallon of washer solution.

**FOR WINTER USE:** Use the proper dilution for the temperatures in your local area. The following quantities of concentrate added to water will reduce the freezing point as shown:
