

Handheld Electro Sprayer

Battery Operated Electrostatic Sprayer

EQUIPMENT FLYER

SKU: 47233

The Handheld Electro Sprayer is a portable, battery powered, electrostatic misting sprayer capable of spraying 360 degrees. Disinfect large areas 3x faster with this lightweight unit - covering 50,000 square feet per charge! This versatile and easy-to-use sprayer will compliment any classroom, office, warehouse, or public space.

- Electrostatic sprayers easily disinfect and sanitize around curved and hard-to-reach surfaces, covering up to 3x the surface area.
- The solution tank holds 1/2 gallon (1.8L) of your favorite sanitizer or disinfectant.
- The powerful 20 volt lightweight Lithium Ion Battery Energy has an estimated 30 minute run time.
- Button for on-board lights indicates charge status.
- Approximately 75db., it is a quiet performer.
- Weighs in at a mere 2.9 lbs.
- Comes complete with battery, charger, solution tank and sprayer.
