

M.O.M.M.

Move Over Mold & Mildew

TECHNICAL DATA SHEET

Removes mold and mildew on contact.

M.O.M.M. is specially formulated to remove mildew stains on contact. Periodical use will keep stains from building up, and regular use will eliminate stains permanently.

Simply spray M.O.M.M. on the stained area. No agitation is needed; the stain disappears as M.O.M.M. dries. After it is completely dry, rinse with water.

Removes mold & mildew from:

Vinyl Canopies	Grout
Awnings	Tubs
Auto Tops	Shower Stalls
Refrigerator Gaskets	Shower Curtains
Tile	

SKU: 00382

M.O.M.M.

Move Over Mold & Mildew

- Removes mold & mildew on contact
- Use indoors on bathroom tile/grout, shower stalls, ceilings, walls, shower curtains, & more
- Use outdoors on concrete, brick, awnings, outdoor furniture, pool-side areas, & more

ACTIVE INGREDIENT:
Sodium Hypochlorite...5.00%

INERT INGREDIENT:.....95.00%

TOTAL: 100.00%

DANGER: CAUSES SEVERE SKIN BURNS AND EYE DAMAGE. KEEP OUT OF REACH OF CHILDREN. SEE ADDITIONAL CAUTIONS ON SIDE PANEL. NET CONTENTS: ONE QUART (32 FL. OZ.)

M.O.M.M quickly removes stains and spots caused by mold and mildew without scrubbing. Use it indoors on bathroom tile and grout, shower stalls, ceilings, walls, and shower curtains. Use outdoors on concrete, brick, awnings and canopies, auto and boat vinyl tops, tents, outdoor furniture, and pool-side areas.

DIRECTIONS:

IMPORTANT: Read all precautions before using this product. Use undiluted. Spray directly on mildew stains and allow to dry. Rinse with water. Check for color damage in an inconspicuous area before using on painted surfaces or fabrics. Do not mix with ammonia solutions, any toilet bowl cleaners or another cleaning agent as this could result in the formation of hazardous gases. Do not use on silk, wool, cotton or leather. Do not reuse this container; destroy when empty. Product and fumes are corrosive to metals. Do not expose to unpainted iron or steel. Unprotected copper, brass, chrome or other metals may discolor. If exposed, metals should be rinsed at once. Point mouth of bottle away from you when opening. Keep container tightly closed, upright, and store in a cool, dry place. Rinse food contact surfaces with potable water before reusing.
