Nothing completes great wheels like sleek, shiny black tires. Tires can take a beating, but adding just one layer of *Black Tie* can make them look fresh and new again.

*Black Tie* not only keeps your tires looking new, but can also be used on rubber floor mats, under the hood on hoses and wires, exterior vinyl, moldings – anywhere you want a shiny, clean look.

*Black Tie* works fast and is easy to apply. The formula restores the rich black color while also giving it a high shine finish – without having to wipe.

**DIRECTIONS:** Spray Black Tie approximately 8 inches away from area to be treated. Spray evenly in a continuous motion until full, even coverage is achieved. Let stand and Black Tie will shine. Can even be applied to wet tires. Use similar directions on all rubber surfaces. Avoid overspray onto glass and paint. To prevent smearing, remove overspray with an all-purpose cleaner.
