Rid-O-Grime is a deep cleaning formula that agitates dirt and grime that’s been deeply embedded in valleys, cracks and crevices to lift these soils and let them be rinsed away. Made from all-natural ingredients, citrus solvent from oranges, volcanic pumice and others, Rid-O-Grime contains no petroleum to dry out hands.

- Made from all natural ingredients
- Fine grain pumice agitates deeply embedded dirt and grime
- Will not dry hands
- Contains Rid-O-Grease for degreasing power
- Fortified and balanced with emollients
- Cleans the grimiest hands

*Power away grease and grime with a combination of volcanic pumice and Rid-O-Grease.*

Rid-O-Grime is also available in a convenient and economical dual-textured disposable towel.

Available in a 23 oz. hangable tube, or a 4.5 lb. can for easy dispensing.

SKU: 00535 Can
00534 Tube
00159 Dispenser

Used By:
- Mechanics
- Equipment Operators
- Custodians & Maintenance
- Police & EMTs
- Utility Workers
- Construction Workers
- Road Crews
- Grounds Keepers

Rid-O-Grime’s natural citrus-extract solvent is combined with gentle emollients. Soil suspending agents, emulsifiers and mild abrasive particles produce a premium quality hand cleaner. An essential product for mechanics, painters, machinists, industrial workers, printers, maintenance workers, municipal employees, assembly line and construction workers. Ideal for removing dirt, heavy grease, ink, tar, paint, stains and many other stubborn soils.

*Rid-O-Grime contains Rid-O-Grease which is a natural citrus-extract solvent used to emulsify grease.

**DIRECTIONS:** Do not wet hands with water. Apply sufficient amount to palm of hand. Rub until completely liquefied and all soil is loosened. Work well into crevices on knuckles and fingernails. Wipe hands with a towel, or rinse with water if desired. Repeat if necessary for extremely stubborn soil.

**CAUTION:** Avoid contact with eyes. Wash with water after use if available or wipe off thoroughly with a dry towel. Do not swallow. Do not contaminate water, food or feed by use or storage. Replace lid when not in use. Keep from freezing. Store in a cool dry location. Keep out of reach of children.

**FIRST AID:**

**EYES:** Flush with plenty of water for at least 15 minutes lifting eyelids to insure complete removal. Get immediate medical attention.

**INGESTION:** Rinse out mouth with water. Drink plenty of water. Call a physician or poison control center immediately. Never give anything by mouth to an unconscious person.

**INHALATION:** Get to fresh air. If breathing has stopped, qualified personnel should administer artificial respiration.

**SKIN:** Wipe or rinse off with water.

**CONTAINS NO HARSH PETROLEUM SOLVENTS.**

READ THE MATERIAL SAFETY DATA SHEET (MSDS) BEFORE USING THIS PRODUCT.

**HMIS RATING:** Health -1; Flammability -2; Reactivity -0; Personal Protection -None.

**CONTAINS (CAS#):** Water (aqua) (7732-18-5); Paraffinic, Naphthenic solvent (64742-47-8); Mineral oil (8042-47-5); (R)-p-mentha-1,8-diene (5989-27-5); Tall oil acid (61790-12-3); C12-15 Pareth-7 (68131-39-5); Pumice (1332-09-8); Propylene glycol (57-55-6); Triethanolamine (1332-09-8); Propyl Paraben (94-13-3); Methyl Paraben (99-76-3); Sorbitol (50-70-4); Hexahydro-1,3,5-Tris (2-hydroxyethyl)-s-triazine (4719-04-4); BHT (128-37-0); FD&C Yellow #6 (2783-94-0) and FD&C Yellow #5 (1934-21-0).

*Rid-O-Grime contains Rid-O-Grease which is a natural citrus-extract solvent used to emulsify grease.

**DIRECTIONS:**

**WALL DISPENSER:**
1. Pry or cut out 3-inch disk from bottom of container.
2. Remove cover, prime dispenser by pushing down on black follower disk until hand cleaner comes out bottom hole about 1-inch.
3. Place container into dispenser and turn to lock in place. Replace cover and puncture membrane in center of cover. Pump dispenser until product starts to flow.

**SELF-DISPENSING:**
1. Remove cover and black follower disk on inside of canister.
2. Punch out hole in center of follower disk.
3. Insert back into canister and push down for self-dispensing. NOTE: Replace cover to guard against contamination.

**HAND CLEANING:** Use with or without water. If used with water, do not wet hands with water.
1. Dispense sufficient quantity into palm of hand and apply to soiled skin until product liquefies and all soil is loosened and dissolved.
2. Work well into crevices in knuckles and fingernails.
3. Wipe cleaned skin areas with a towel, or rinse with water and dry, if desired. Repeat, if necessary, for extremely stubborn soils.

**CAUTION:** Avoid contact with eyes. Wash with water after use if available or wipe off thoroughly with a dry towel. Do not swallow. Do not contaminate water, food or feed by use or storage. Replace lid when not in use. Keep from freezing. Store in a cool dry location. Keep out of reach of children.
